#### QUEEN ELIZABETH'S GRAMMAR SCHOOL

The Green Road, Ashbourne, Derbyshire DE6 1EP
Tel: 01335 343 685 Email: enquiries@qegs.email Twitter: @qegs\_ashbourne
Web: www.queenelizabeths.derbyshire.sch.uk
Headteacher: Mr S Garrity Chair of Governors: Mr C Smith

#### **Pupil premium strategy statement**

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

#### School overview

Detail	Data
School name	Queen Elizabeth's Grammar School, Ashbourne
Number of pupils in school	1393 (Whole school)
	1114 (Years 7-11)
Proportion (%) of pupil premium eligible pupils	14.7%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2022- 2024
Date this statement was published	September 2022
Date on which it will be reviewed	February 2023
Statement authorised by	Scott Garrity
Pupil premium lead	Katie Starkie
Governor / Trustee lead	Phil Taylor

#### **Funding overview**

Detail	Amount
Pupil premium funding allocation this academic year	£163,925
Recovery premium funding allocation this academic year	£44,436 (£276 x 161 PP students)
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£ 208,261
If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	

#### Part A: Pupil premium strategy plan

#### Statement of intent

Our aim is to provide a positive and rewarding learning environment for all students, irrespective of their background, where they can Question, Explore, Give and Succeed in all life challenges- academic and non-academic endeavours. These are our core values for all students at QEGS.

We recognise that all students, including those eligible for Pupil Premium, benefit most from high quality teaching and accompanying guidance and support for their learning and personal development. Therefore, the first aim of our strategy is to ensure that QEGS provides the best possible educational experience for all of our students, all of the time.

However, we also recognise that students who have faced disadvantages in their lives, for varying reasons and periods of time, need additional support to encourage and enable them to succeed at school. Therefore, our strategy aims to provide targeted academic support based on identified needs, as well as wider strategies to promote positive attendance, behaviour and well-being.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge	
1	<b>Attendance:</b> Our absence rates for PP students is higher than for our Non-PP students. Years 7-11 Non-PP is 92.55% compared to 84.58% for PP students. A gap of -7.97%. (July 2022)	
2	Persistent Absence: Our persistent absence rates for PP students is higher than for our Non- PP students.	
3	<b>Levels of Literacy &amp; Numeracy:</b> Our PP students on entry have lower literacy and/or numeracy levels compared to Non-PP students. In year 7 25% of PP are in lower prior attainment compared to 14% non-PP (based on CATs) (July 2022)	
4	<b>Achievement Gap:</b> Our PP students do not perform as well as our Non-PP students. In 2019 the P8 score for PP students was -0.48 and -0.03 for Non-PP. Year 11: a residual (actual – external target) difference of +0.2 for Non-PP and -0.4 for PP, a gap of -0.6.	
5	<b>Readiness for Learning:</b> Some our students may have low academic aspirations and then subsequent negative attitudes to learning. They benefit from mentoring to support with their behaviour along with ensuring they are fully equipped to learn (uniform, equipment etc).	
6	Parental Engagement and Communication: The % of PP students' parents attending remote parents evenings is less than that of Non- PP students' parents. Average over all year groups - 39.96% of PP students' parents attended. (2021-22)	

### **Intended outcomes**

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria	
1. Attendance: To improve our whole school attendance rates particularly targeting PP students with low attendance and addressing individual barriers to attending school.	pandemic level of 95%, including for	
2. Persistent Absence: To improve our persistent absence rates, reducing the gap between PP and Non-PP students with personalised and bespoke support for the student and parents/carers.	Persistent Absence significantly improves to 4% or less leading to improved outcomes at KS4.	
3. Levels of Literacy & Numeracy: To improve the reading ages and numeracy levels through a targeted and specific range of interventions and support by specialist teachers.	Students with reading ages which are below chronological age receive appropriate and timely intervention to ensure closing of the gap between PP and non-PP students.  Whole school literacy and oracy approaches develop familiarity and comprehension of academic and subject specific language supporting overall outcomes for students.	
4. Achievement Gap: Reduce the attainment/ progress gap between PP and Non-PP students by ensuring quality first teaching, supported by additional support, focus, attention and intervention for PP students.	Reduction in the gap in attainment/progress measures between PP and Non-PP students leading to improved outcomes and progression at ks4/5 and beyond Post-16.	
<b>5. Readiness for Learning:</b> To raise the aspirations of our students through assertive mentoring, improved rewards and incentives.	PP students will have increased aspirations, improved behaviour and attendance, and where applicable reduced suspensions.	
6. Parental Engagement and Communication: Creatively improve parental engagement of PP Students	The variety of parents evening attendance and day to day communication with parents of PP students will improve. Increase positive communication between home and school.	

### Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) this academic year to address the challenges listed above.

#### **Teaching (for example, CPD, recruitment and retention)**

Budgeted cost: £45,925

Activity	Evidence that supports this	Challenge number(s)
	approach	addressed
Quality First Teaching: The development of the 'QEGS Classroom' to further develop high quality teaching, routines and consistency for every lesson. Within this classroom, every teacher knows the importance of the role they play. They need to know their students, not only highlighting them on seating plans, but knowing their barriers to learning and being proactive in removing any barriers in their way.	The EEF tells us that high quality teaching is the most important factor when it comes to improving attainment outcomes, particularly for disadvantaged pupils.	1, 2, 3, 4, 5, 6
Whole School Literacy and Oracy Approaches.  The introduction of explicit vocabulary instructions across all subject areas will support development and exposure to a range of tier 2 and tier 3 vocabulary. Departmental approaches to the teaching of new vocabulary, including spelling quizzes and approaches of 'say it again better' to develop the use of oracy and sentence level responses will ensure students who are disadvantaged are receiving targeted support to develop oracy and vocabulary, a priority for closing the gap in outcomes.	The EEF 'Improving Literacy in Secondary Schools' supports and recommends whole school literacy approaches to develop the reading, vocabulary and oracy of students, in particular students who are disadvantaged. Report and recommendations can be accessed here: <a href="https://educationendow-mentfoundation.org.uk/education-evi-dence/guidance-reports/literacy-ks3-ks4">https://educationendow-mentfoundation.org.uk/education-evi-dence/guidance-reports/literacy-ks3-ks4</a>	3, 4

Questioning Approaches Use of whole class responses (RAG, mini whiteboard) to ensure PP students are confident with content, detailed questioning (linked to oracy) which allows PP students to build confidence to articulate responses using tier 2 and tier 3 vocabulary.	EEF 'Improving Literacy in Secondary Schools' promotes the use of oracy and verbalising responses to develop written responses. <a href="https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/literacy-ks3-ks4">https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/literacy-ks3-ks4</a>	3, 4,
Embedding GUEST consistently across the whole school for every lesson including form time. This will increase positive relationships with students and ensure all learning activity begins positively. The consistency of routine for students will reduce cognitive load required at the start of a lesson enabling students to focus on the content.	All teaching staff are responsible for the success, development and progress of PP students, and the whole school focus on the improvement of quality first teaching will benefit all students.	1, 2, 4, 5
Ensuring consistency across all departments for 'Check, Assess, Feedback' following the new QEGSMAT Assessment/ Marking Expectations. Make sure live feedback is enhanced for PP students. Teachers actively yet subtly question PP students to ensure they understand both tasks and have the required knowledge to be successful.	EEF toolkit suggest that quality feedback can add 8 months of learning per year.	1, 2, 3, 4, 5, 6
Continue to review and revise our Independent Learning/ Homework policy. Staff are to received training on the importance of praise and how this is able to impact their attitudes and aspirations within and beyond the classroom.	EEF toolkit suggests that regular, meaningful homework can add 5 months of learning per year.	1, 2, 3, 4, 5, 6
Introduce and embed 'The 3 Rs' behaviour expectations	SecEd: Steve Burnage states PP learners respond best to a positive learning environment ensuring there is consistency, boundaries, praise and rewards.	1, 2, 4, 5, 6

Teachers to use GO4Schools to identify and track all students specifically focusing on PP students in their classes.	It is crucial all teachers know and understand the barriers every child faces- PP and Non-PP students.	1, 2, 3, 4, 5, 6
Rigorous and routine Quality Assurance, calendared throughout the year. Formal and informal monitoring particularly focusing on our PP students using internal and external support. E.G. External PP Reviewers	Recent research-based recommendations point towards a need for greater coherence and synergy in quality assurance approaches – in particular, the effective interplay between internal and external mechanisms – in order to ensure that they best serve school development and innovation.	1, 2, 3, 4, 5, 6
Regular, meaningful and quality <b>CPD</b> for all staff on teaching strategies, expectations of the 'QEGS Classroom'.	All teaching staff are responsible for the success, development and progress of PP students, and the whole school focus on the improvement of quality first teaching will benefit all students. Using internal and external CPD providers will ensure all students benefit from quality first teaching.	1, 2, 3, 4, 5
Introduce Curriculum Funding Bid to all staff. Teachers, supported by Line Managers are able to bid for PP funding ensuring there are clear actions and impacts as to how it can support our PP students.	Allowing staff to have greater ownership of the PP strategy has many benefits as it improves staff engagement through accessing resources that would enhance their curriculum- academic and non-academic.	1, 2, 3, 4, 5, 6
Targeted support through Department Interventions and the use of external platforms such a MyMaths, Mathswatch, The Day, Star Reader.  Specific and tailored academic interventions specifically for KS4 student outcomes monitored by CLs and SLT LMs.		1, 2, 3, 4, 5

# Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £68,000 plus £44,436, recovery funding

Activity	Evidence that supports this approach	Challenge number(s) addressed
School Led Tuition Engaging with the National Tutoring Programme ensuring regular QA monitoring, tracking and monitoring of student progress- academic and pastoral.	Tutoring is one of the most effective ways to accelerate student progress. Evidence suggests that small group and one-one tuition can boost progress by 3 to 5 months per pupil. We want to extend this catch-up opportunity to students whose education has been impacted the most by covid-19 pandemic.	1, 2, 3, 4, 5, 6
Continued contribution to the staffing of English, Maths and Science small group provision with continued rigorous QA and progress monitoring.  English- LIT Reader Programme (Reading intervention) Paired Reading utilising Sixth Form T&L BTEC students Maths-Science-	PP students are on average 9 months behind non PP peers on entry to secondary school (NFER 2022)	
Continue to fund ACE Youth Trust	ACE Youth Trust is a registered charity run by a board of volunteer Trustees from the Ashbourne area. ACE aims "to provide recreational/leisure activities and support/guidance" to young people aged 11-19 "intended to help them grow as individuals and improve their quality of life" (Trust Deed of Amendment 18 July 2010).	1, 2, 3, 4, 5, 6
Continue to fund Reciprocal Reader, Star Reader Testing and The Day Ensuring all students have accessed the tools to support	Reading comprehension strategies, which focus on the learners' understanding of written test, are rated as high impact on the EEF Toolkit.  Literacy is a key to learning across all subjects in secondary school and a strong predictor of outcomes in later life.	1, 2, 3, 4, 5, 6
Assertive Mentoring Launch assertive mentoring with SLT. Every Senior Leader will mentor at least one student. Use longevity of FSM students to identify priority students.	The Hurworth model stresses the difference between soft (traditional) and hard (assertive) mentoring and sites this distinction as the key to improvement. They outlined the major characteristics of the two types of mentoring in the seminar. Soft/traditional mentoring is relationship based, open to manipulation (excuses and half truths) and student led (the student explains the problems and sympathy is	1, 2, 3, 4, 5, 6

Use Assertive Mentoring to	given). Hard/assertive mentoring is based on	
reduce the number of	evidence (the student is confronted with	
suspensions - Repeated	LSIS Research predicted grades) and direct

Year 8 and Year 10 are our	has been FSM the wider the gap compared	
priority.	to Non-PP students.	

# Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £50,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Attendance Monitoring: Improve rigour with attendance monitoring specifically focusing on Persistent Absence. Utilising Deputy Progress Leaders, Pastoral Support Officers and Family Support Workers to ensure families are aware of the importance of attending school. Key action points for September 2022-23 include:	DFE - Supporting the attainment for disadvantage students research said "More successful schools set up rapid response systems to address poor attendance. This includes staff contacting home immediately a pupil fails to arrive on time. If the problem persists, staff work with families to address any barriers they face in getting their children to school."	1, 2, 3, 4
- Rigorous follow up of non-attendance, including telephone calls, home visits, letters, face to face meetings in school (or the home) and potential of FPN.		
- Active support by pastoral team to remove barriers to attendance, through:  Mentoring, bespoke timetable, Early Help Assessment, SEND assessment, referral to external agencies as required, wrap around support.		
Fortnightly meeting with SENDCo, DHT Pastoral and Director of Secondary Education to ensure that all avenues are explored and that holistic approach to support is implemented.		

Primary School Liaison Close links with primary schools to be developed to ensure that effective approaches used by feeder primaries to engage poor attending PP students can be developed at QEGS. This will support engaging families who may become harder to reach or who may be uncomfortable seeking support and advice once in secondary.  Development of positive relationship with families during primary will support	https://www.gov.uk/government/publications/scho ol-attendance/framework-for-securing-full- attendance-actions-for-schools-and-local- authorities	1, 2, 3, 4
attendance and engagement at secondary. To include: - Attendance at primary school events (e.g. Summer Fayre) - Presentations given to Y3, Y4, Y5 parents about opportunities and support available at		
QEGS Inviting parents/carers of primary schools to attend events at QEGS to promote and reduce barriers to attending.		
Healthy Eating: -Breakfast Club for all students before Yr 10/GCSE/A-Level exams -Implement a daily breakfast club for FSM students who need and want this. So, morning hunger is not a barrier to academic success.	Studies have demonstrated that nutrition affects students' thinking skills, behaviour, and health, all factors that impact academic performance.  Data from the canteen showing FSM students are using the canteen.  SLT, PLs, Family Support Officers and support/ admin staff making applications for FSM on behalf of families.	1, 4, 5
-Continue to offer healthy/ nutritious snacks available in all Pastoral offices -Promotion of availability of food made via wellbeing phone calls home by tutors and texts home from PPCoSend a 'DID YOU KNOW' letter/ txt for Parents on a half termly basis.		
Uniform, Bags, Equipment & Resources: - New QEGS Uniform Bundle available for all	School Uniform   Education Endowment Foundation   EEF	1, 4, 5

PP students September 22/23.  Every teacher is provided with a stationary pack to provide students with pens pencils etc.  Pencil cases plus equipment, will be issued for all PP students.  Revision guides will be issued to all PP students.	Making it as easy as possible for parents/ carers and students to access the resources they need to study in and outside of school.	
Parent's Evenings:  Parent's evenings for our  PP parents will be bespoke if there is a barrier to them accessing SchoolCloud.  E.g. Phone calls home, meet in the community, visits from our Family Support Officers/ PLs	Working with parents to support children's learning   Report   Education Endowment Foundation   EEF  Due to the poor uptake on SchoolCloud alterative arrangements need to be made for PP parents to improve their engagement.	1, 4, 5, 6
Co-Curricular clubs and Trips: Discrete priority offers to PP students for all trips- They will be allocated places first.  50% off all trips for all PP students will be available.  A standard PP support statement will go in every letter/ communication with parents to ensure they	Students will not be disadvantaged attending trips due to financial hardship. All students can enjoy the positives that come from going on a trip- social skills, increased aspirations, self- confidence and motivation. PP Students may not have the opportunity to visit such places outside of school.	1, 2, 3, 4, 5, 6
understand the financial support available.		
Careers: 1:1 Interviews targeting students in Year 9 supporting GCSE option choices Mock Interviews CV writing Tailored weekly form time activities Career specific trips Gatsby Bench Mark Score	Every young person needs high-quality career guidance to make informed decisions about their future. Good career guidance is a necessity for social mobility: those young people without significant social capital or home support to draw upon have the most to gain from high-quality career guidance.	1, 2, 4, 5
Music Tuition: To continue to promote and pay for PP students who	The Education Endowment Foundation state, Arts participation is defined as involvement in artistic and creative activities, such as music, dance, drama and	1, 2, 4, 5, 6

wishes to play an instrument.	participation can have a positive impact on academic outcomes in other areas of the curriculum. Positive attitudes to learning and increased wellbeing were consistently reported, ensuring disadvantaged pupils access a rich and stimulating arts education is paramount.	
-------------------------------	---	--

Total budgeted cost: £ 208, 361

# Part B: Review of outcomes in the previous academic year

### **Pupil premium strategy outcomes**

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

Intended Outcomes	Success criteria set	Evaluation of success
Attendance of Pupil Premium students to be no lower than non-Pupil Premium students. For	PP students (194) attend school on at least a par with non-PP (941) students.	Attendance for PP was: 84.83% (P/A 3.47%)
attendance to be 'good' compared to national attendance.	Persistent absence will reduce for	was:92.58% (P/A 8.33%)
	PP students, a continuation of the current 3-year trend.	Persistent absence continues to be a focus, ensuring that the significant disruption cause by lockdown and covid-19 is minimised.
Pupil Premium students will feel happy and safe in school and the community and engage fully with their learning.	Student voice demonstrates Pupil Premium students feel happy and safe in school and the community.  Behaviour records show Pupil Premium students have improving engagement, more positive behaviour events, and less negative.	Student voice collected in 2021-22: PP review and Personal Development review May 22; this showed that all students felt safe in school. They could all signpost where they get safeguarding support and knew who they could talk to.
	Pupil Premium students and their families engage with PCEs and tutor evenings.	PP attendance at parents evening is still a priority. This is a continued focus for the PP strategy for 2022-23.
	Pupil Premium student outcomes improve compared to previous Pupil Premium cohorts, and in line with non- Pupil Premium students.	Y11 outcomes Summer 2022:  • A8 APS: 4.5  • 9-5% EM- 34.4%  • 9-4% EM- 56.3%  • EBACC APS- 3.7
Pupil Premium students will make significant progress in reading, enabling strong vocabulary acquisition.	Pupil Premium students will be able to access the curriculum at a level appropriate to their curriculum pathway	Literacy remains a core priority. Reciprocal reading strategies have been embedded into most lessons, and this will be further enhanced through the PP strategy for 2022-23.

Pupil Premium students will engage with and enjoy the wide range of cocurricular activities on offer at QEGS.	Prioritised places are available on trips for PP learners to ensure fair access.  Monitoring of co-curricular activity attendance to show that a proportionate amount of attendees are PP.  Activity leads are aware of the need to promote PP attendance and promote/invite	Students who are PP are given priority booking, with funding already assigned to support engagement and access to trips.  Staff leading trips ensure all eligible PP students have a place reserved, and promote this with students. 2018/19 Pre-covid data: 23 Trips in total and 9 of the trips had PP students attend: 39%  2021/22: 15 trips in total and 10 had PP attenda 67%  PP attendance for cocurricular clubs has improved since 2017- 35.1% 2017 to 46% 2021. Accurate monitoring of PP attendance is a focus this year.
Pupil Premium students will be fully integrated into our high-quality careers and work-based learning education and guidance.	PP students are prioritised for career advisor interviews and followed up with a second meeting if needed.  Student voice reports satisfaction with careers and work-related learning provision in PSHE [Tutor Time and curriculum lessons]	Student voice following Year 10 WOW (World of work) week July 22: Over 90% of students felt informed to make post 16 destination decisions.  All Students (Year 7-11) are able to articulate the work completed on careers in form time (1 session / week) Each year group are following the CDI (career development institute) framework
The majority of FSM students use their allocation in the canteen and are therefore eating healthily on a daily basis.	Pupil Premium Free School Meals students will benefit from good nutrition, thereby enabling them to have greater focus in their lessons and less behaviour issues as the school day progresses. Nutritious snacks are available in all PL offices and room 540.	2021-22 FSM Uptake:  Pupils entitled to FSM-231  Pupils taking up FSM – 168  Pupil number uptake- 73%

## **Externally provided programmes**

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider
