Dear Parent Carer

Re: Easter Revision for Year 11 (Amended)

Please see below, the amended dates, taking into account school closure days. The sessions that have changed are English Language with Mr Hollins, which will now take place on Wednesday 12th April and Maths Foundation Revision with Miss Bill to Monday 3rd April. These have also been amended on the electronic form sent to students.

The summer term is fast approaching and it will not be long before students are required to complete their GCSE exams. Uniform is not required in order to attend these sessions, but students will require their lanyards when on site. Students should also bring their countdown to success cards as any sessions attended count towards their signatures. Please do not arrive to sessions any sooner than 5 minutes before they are due to start (timings are next to each session above).

Students have been sent an electronic form to their school email, which they can use to select which sessions, they would like to attend. Please encourage them to complete this form as soon as possible. Each of the sessions will be equipped with snacks and drinks to support students throughout the revision session, which they can access for free. **Please do not turn up to any sessions that you have not selected on the electronic form, as staffing will be limited for each session.**

As always, we expect students to uphold exceptional standards for behaviour. Should any students behaviour not be acceptable during their attendance to any of these sessions, the schools behaviour policy will be upheld. We hope that students will make the most of the sessions on offer and as always, if you have any questions or concerns, then please do not hesitate to contact Mr Bowbanks. (bowbanks@qegs.email).

Yours faithfully

Mr Bowbanks

Head of Year 11
