Dear Parent/Carer

## Edexcel A-level Geography Student Revision Webinar: Exam Skills

I am delighted to inform you that we have been able to get access to a series of six 40-minute revision sessions delivered by experienced examiners, Bob Digby and David Holmes. The purpose of the sessions is to help A level students kick-start their revision, offering sessions on all core physical and human subject areas, as well as guidance on exam skills. The expected impact on student outcomes are: -

- Students will have the opportunity to revise key elements of the core subject areas and develop their exam skills.
- As a consequence, they should be better equipped and prepared for their exams which is likely to increase their confidence and A level geography grade.

All sessions will take place during a Tuesday lunch time from 1.40pm – 2.20pm in room 102 following the schedule below. Students attending will need to bring their A level folders and a pen to make notes.
