29<sup>th</sup> September 2023

Dear Parents, Carers, Students and Staff

Weekly Bulletin #4

# **Student Afternoon Tea**

Students got to enjoy the first afternoon tea of the academic year with Mrs Walker. Well done to you all for a fantastic start to the year!

# Year 11 – Sixth Form Open Evening

QEGS Sixth Form Open Evening take place on Tuesday 10<sup>th</sup> October 6-8pm. We can't wait to see you there!

# Homework

There is a new homework tab on the school website under the parents and students tab. This explains the value of homework and the how students will be rewarded with points for completing tasks. There is also a guide of how parents and carers can support at home.

From this Tuesday, there will also be a homework club for Key Stage 3 students in room 501 at lunchtime every Tuesday. There will be Sixth Form students in the room to help students with any challenges from their homework. This club will be focused on this and so any students attending will be expected to be doing homework during this time. Students who attend will be rewarded with points, which they can use in the school shop.

# DofE @ QEGS

Our DofE registration process has begun for Year 9 Bronze, Year 10 Silver and Year 12 Gold. All parents should have received letters on how to enrol your child on to the DofE Award. We have also launched our programs to Year 9, Year 10 and Year 12 in assemblies over the last 2 weeks.

If you would like to find out more about DofE @QEGS please visit our webpage; <u>https://www.queenelizabeths.derbyshire.sch.uk/learning/clubs-and-co-curricular/dofe/</u>

Please also follow us on Twitter; @QEGS\_DofE

To enrol your child onto the DofE Awards, please pay the enrolment fee on Parent Pay by 13<sup>th</sup> October.

# MacMillan Cancer Research

Staff had a cake sale to support the MacMillan Cancer Research, raising £126.04. We were spoilt for choice. Thank you to everyone who supported the cause.

### Sixth Form Update

We are very pleased to announce the appointment of Mrs Thrupp as our KS5 Learning Coach, her role will be to provide support to students who need it, with aspects such as: Organisation, Motivation, Overcoming procrastination and planning. The aim is to equip our students with the skills and strategies which help them now and also into adult life wherever they are and whatever path they are following. Students will be able to ask for help themselves, or sometimes may be advised by their teachers that some support in these areas would be useful to them. Coaching sessions will take place in school time, as a one-off or, where necessary, a series of sessions. Mrs Thrupp will also provide advice and guidance on the UCAS process, Apprenticeships and Gap Year information.

# Food Technology

Our Year 7's have had their first food practical lesson this week, they have made a fresh fruit salad. We start with this as it is a great way to teach knife skills and safe cutting techniques that they will use throughout their time in food.

# Local Apprenticeships and School Leaver Job Opportunities

Below are links to available local apprenticeships; two are at Callow Hall, one at Dove Computers, one at Hill and Webster and one at Tec Interactive - A mixture of Intermediate and Advanced level apprenticeships.

# **Sports fixtures**

There have been several sports fixtures this week. The U15 rugby team played in the National Cup, losing to a good John Taylor High team, so they now move into the National Bowl competition. The U15 football team played well in the ESFA National Cup, but also lost, to a team from St John Houghton School. The U12 football team, playing their first competitive game for QEGS, and the U14 team both won their fixtures against Abbotsholme on Wednesday.

The U18 rugby team played against King Edwards of Lichfield in the National bowl competition. The boys played some fantastic rugby in the first half with 2 fantastic tries. Unfortunately, it was not enough to take the win, but they should be pleased with their improved performance. Well done to all involved!

We also have U14 and U16 rugby games against Lady Manners on Friday after-school.

# Art

Earlier this year our Year 12 Art Ambassadors were given the exciting opportunity by Derbyshire Dales District Council to lead the design of the branding for the Ashbourne Reborn project. The students learnt about the £15 million town centre transformation and mocked up several designs for the logo. The students involved worked hard on the project and were very professional. The final design uses elements of the two most popular designs, and we think it looks great! Look out for the logo on social media, hoardings and posters in the local area.

# Mr Taylor – Teacher of Maths

I have been teaching for 10 years. I was previously the Key Stage 4 leader of Maths at a school in Burton on Trent and have started at QEGS as Numeracy, Mentoring and Key Stage 5 leader. I love teaching and have recently completed a Masters in Expert Teaching and am looking forward to making a difference at QEGS.

I love football and sports in general and enjoy going on walks. I have 2 little boys who keep me busy when I am away from school!

# Mrs Johnson – Deputy Head of Year 8

My professional career in education began as a teacher of Physical Education spanning fifteen years. I have taught in a variety of educational settings, thriving on the many opportunities to develop my own sense of self and that of others.

During this time, I was afforded the opportunity to develop skills within the pastoral system as a lead boarding parent in an independent school. Here, I was responsible for the day-to-day welfare of students that I thoroughly enjoyed.

I have been welcomed into the QEGS team as a Deputy Head of Year 8. I am proud to be a part of the pastoral team and I am looking forward to getting to know the year group.

I have always had a passion for sport and have enjoyed playing both netball and football. I am an avid football fan and support both my children in pursuing their sporting ambitions. I am looking forward to watching the many Year 8's perform in all aspects of their school life throughout the year.

# Finally

RAAC (Reinforced Autoclaved Aerated Concrete) update – a few parents have asked if we have been affected by RAAC which we have not thankfully. We did our surveys last year and so far we are all clear!

A polite request to all parents and other visitors to our site, please sign in at reception when accessing either the Green Road Campus or the Boothby Campus. Pre-arranged visits will always ensure the right staff are available. Visitors once signed in will be issued the relevant lanyard and visitor ID which must always be worn when onsite.

Yours faithfully

parto
