Dear Parent/Carer and Student

## Online Apprenticeship Information Event – Tuesday 16<sup>th</sup> April 6pm-7pm

Would you like to know more about apprenticeships? This route, either post 16 or post 18, is the one I receive most questions about as it can be quite complex. To remedy this, we have booked ASK to do an online presentation for students and parents to explain this increasingly popular route.

The Apprenticeship Support & Knowledge for schools and colleges programme (ASK programme) is funded by the Department for Education and aims to support schools and colleges in England to increase awareness of apprenticeships, traineeships and T Levels amongst students, parents, carers, teachers and careers advisers.

The talk will cover the following:

- What is an apprenticeship?
- What do the different levels of apprenticeships mean?
- · What will it pay?
- How to find a vacancy?
- How to apply for an apprenticeship?
- What are the pros and cons of this route?

There will be time after the talk to ask questions via the chat option.

This link will allow you to join the Teams live event.

If in the meantime, you have any queries please do not hesitate to contact me.

Yours faithfully

Kate Morgan
