

18<sup>th</sup> April 2024

Dear Parent Carer

## Online Apprenticeship Event

Interest in the apprenticeship route for our students has always been strong but I was thrilled to welcome over 100 families to our recent online event. We will definitely be asking a representative from ASK to do a similar awareness event next year.

I received a few enquiries from parents unable to attend about the possibility of seeing a recording of the event. ASK unfortunately are not able to allow recordings by the DFE. However, they do produce a very useful 'Parent Guide' which is attached to this letter.

If your child requires further information about apprenticeships or any other route, I am available most lunchtimes and my office is based on level 2 in room 205. Please encourage them to come and find me for any help required.

We are holding a Careers Fair on Thursday 11<sup>th</sup> July which will be open to parents at the end of the school day. We have exhibitors from colleges, universities and apprenticeship providers as well as local employers. Please come along and take advantage of speaking to them all under one roof. **If you work for an organisation interested in exhibiting, please contact Caroline Bramwell at [bramwell@queenelizabeths.derbyshire.sch.uk](mailto:bramwell@queenelizabeths.derbyshire.sch.uk).**

One of the key objectives of the careers education provided is to ensure our students receive the information they require to make the right choices for them. This event demonstrates our commitment to provide quality impartial advice to our students.

If you have any queries, suggestions or would like to be involved in our careers education provision please do contact me.

Yours faithfully

Kate Morgan

Careers and Vocational Education Lead
