Dear Year 11 students, parents and carers

## Year 11 Exams and Study Leave

Year 11 students have made a really positive start to their exams. Helped by ongoing lessons and well planned revision sessions, the students are being really well supported as they face each exam.

To recognise the excellent student conduct so far and to support student wellbeing as the exams get a little busier, we would like to propose a couple of 'study afternoons' for Year 11 students. These afternoons are sessions when there are no exams and no revision sessions. We want to offer students a chance to have time for independent study, rest and recuperation.

The sessions are:

23<sup>rd</sup> Thursday May

24<sup>th</sup> Friday May

Assuming student conduct remains good in the run up to these dates, students will be able to leave the school site at 12.35pm on these dates as long as they have a designated place you are happy for them to go to (home, relatives, friend etc). Students should not congregate in town or the park.

If students do wish to remain in school, there will be a quite supervised study area available for students until 3.20pm on each day.

We hope this provision helps act as a reward for good conduct and mature attitude as students transition towards sixth form, college or work.

If you have any questions, please contact Mrs Caton (Head of Year 11) or Miss Platt (Deputy Head of Year 11).

Yours faithfully

**Mr S Garrity**
