24<sup>th</sup> June 2024

Dear Parents/Carers

## **Race 4 Life 2024: 5<sup>th</sup> July**

### **Event Co-ordinators: Year 12 BTEC Business Students**

This year we will be hosting our annual Race 4 Life event on Friday 5<sup>th</sup> July. This will be raising money for Cancer Research UK. The event will consist of a 5km run which will take place during the school day as follows:

Period 3: Year 7 and 8

Period 4: Year 9 and 10

Period 5: Year 12

Students are to come to school in their PE kit and blue/pink accessories on the day of the event. We will be asking for a £1 donation for this to be paid via ParentPay.

On the day we have planned fun activities and catering which we have factored in time for the students to enjoy. There will be Steve's Whippy who has attended the race annually, as well as Project D Doughnuts, who are both kindly donating some of their profits to the Cancer Research UK charity which we are aiming to raise £4500 to help with lifesaving cancer research. Please make sure your child has some spending money so they can enjoy the activities.

For the race itself we would advise you to send your child with a refillable water bottle as there will be a limited supply of water bottles supplied on the day to keep our waste low. Water refill stations will be available.

If you would like to sponsor your child or make a donation, all sponsors and donations should be made via the below link below which takes you to our fundraising page - all amounts help.

Thank you in advance for supporting us to help support this charity.

Yours faithfully

**The BTEC Business Students**
