Dear Parent/Carer

Waterhouses Bus Route from September 2024

QEGS will be continuing to provide transport from September 2024 for the academic year; the bus will remain free to charge to parents/carers of students in Years 7 to 11 inclusive.

For Post-16 students the charge has been revised to be in line with Post-16 charges for Derbyshire School routes as students on these routes are not eligible for free transport; therefore a charge of £465.00 will be required for a seat on the route. This charge matches the £1.20 per journey charged on DCC school routes plus an admin fee for Parent Pay. Payment is made via parent pay either in one amount or a payment per term of £155 x 3 payments. Sixth Form students' can apply for support with travel through the Bursary scheme, please see <https://www.queenelizabeths.derbyshire.sch.uk/sixth-form/#1598963046696-66361ad7-209e> for more information.

Priority for a seat will be given to full time travellers.

In order to keep costs manageable to QEGS, the pickup and route will be very simple and direct. Whilst some parents may have individual requests for other local pick-ups, this is simply not possible due to the increase in cost and time to the route.

Waterhouses Bus route: Stanton/Waterhouses/QEGS

Please fill in the attached application form and return to Mrs C Bramwell via enquiries@qegs.email or post to the school address by **Friday 5th July 2024** for confirming a seat is required. Mrs Bramwell will then be in contact prior to the September start to confirm a seat on the bus, which vehicle and details of timings for the routes.

Yours faithfully
