Dear Parents and Carers,

## Road Safety - Parking and waiting

You will notice that we have recently had new road safety markings painted outside the school gates on The Green Road to help improve safety for your child.

It is really important that parents, carers and visitors observe the updated parking and stopping restrictions in place on The Green Road which are there to keep all children as safe as possible as they arrive and depart from school each day.

Parents and carers dropping off or picking up should wait and park well away from the school entrances, road junctions and markings. The Green Road is a narrow transport route which school buses have to navigate each day to bring children to and from school and cars waiting in this area make the route even more congested and unsafe.

We thank you in advance of your support in this matter.

Yours faithfully

**Mr S Garrity**  
Headteacher
