

10th December 2024

Dear Parents and Carers,

GO 4 Schools – Year 11 Reports Now Available

Today we have published reports for your child in GO 4 Schools, including:

- Target – the grade we expect they could achieve at the end of Year 11 and is based upon both an external target (from Fischer Family Trust based on Key Stage 2 and/or CATS data)
- Prediction - is the most likely grade that we believe they would achieve based on current assessment data
- Core mock – for subjects where students sat a recent mock examination in the hall
- Book check grade
- Scores for each of the 3Rs: Respectful, Responsible and Ready to Achieve, where 1 is the highest

At the end of this letter there is a guide for book check and 3Rs grades.

Further information on assessment and reporting at QEGS, including a guide to the 3Rs and assessment and reporting dates, can be found on our website:

<https://www.queenelizabeths.derbyshire.sch.uk/parents/assessment-and-reporting/>

Timetable, homework, behaviour, and attendance data (including lesson by lesson attendance) can be viewed on both the GO 4 Schools website and the mobile app (available for smartphones and tablet). You and your child can both access this information via:

<https://www.go4schools.com/parents/>

<https://www.go4schools.com/students>

Please do contact me on ward@qegs.email if you would like further information or support using GO 4 Schools or are having problems logging in. Your child's class teacher will be able to help with questions about specific subjects. We would also like to hear from you if you spot any issues or have any questions or suggestions.

At the end of this term:

As we approach the end of term, we want to take a moment to acknowledge the incredible effort and dedication our Year 11 students have shown in their preparation for the upcoming mock exams. Their hard work and resilience in the face of these important assessments have been truly commendable, and we are so proud of everything they have achieved so far.

Looking ahead, we recognise the importance of supporting each student not only through their mock exams but also as they plan for the next stages of their educational journey and future career pathways. In light of this, we are committed to providing tailored guidance and support to help your child navigate the next steps in their revision and post-16 choices.

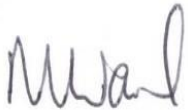

Next week, students will bring home a paper copy of this report, and a 'mock grades certificate' listing all of their mock grades, and with a series of questions for students to complete. To ensure that every student receives the individual attention they deserve, the Senior Leadership Team will be meeting with all Year 11 students on a one-to-one basis. These meetings will focus on providing personal advice and guidance regarding their revision strategies, next steps after Year 11, and any support they may need moving forward. This is also a fantastic opportunity for students to discuss their aspirations and future career plans in an open and supportive environment.

These individual meetings will take place both before and after the Christmas break, and we will ensure that students have enough time to reflect on their progress and plan effectively for the months ahead.

We understand how important these decisions are and want to reassure you that we are here to support both you and your child every step of the way. If you have any questions about these meetings or would like further information, please do not hesitate to get in touch with Mr Walker walkerm@qegs.email, Mr Hamer hamer@qegs.email, or me.

Thank you once again for your continued support. We look forward to working together to ensure our Year 11 students are well prepared for their future success.

Yours faithfully

A handwritten signature in dark ink, appearing to read 'M Ward', written in a cursive style.

Miss M Ward

Assistant Headteacher
