

## Navigate the post 16 options

### Consider these questions when exploring the post 16 pathways:

What are the entry grades for the courses I am interested in? Are they realistic and inline with my predicted grades?

Does the course content cover the topics I enjoy and want to study?

How will I be assessed on this course? (exam, coursework, observations)

Where locally could I study this course?

How would I get to the college or sixth form?
